TO ANYONE WHO DOES NOT BEONG TO A MISSION GROUP, PLEASE TAKE NOTE:

- On Saturday, March 23rd – Mission Day – everyone will be seated with their Mission Groups.
- If you do not belong to a Mission Group, no problem. It will be your prerogative to join any Mission Group for this half-day session.
- To give you a “heads up”, these are the Mission Groups: Justice & Environment, Pastoral, Women’s Group, Children & Young Adults.
- As we know from Constitution No. 34, we are all on mission “*by our state in life*”; consequently, our focus for this day will be to recognize how we “*live our precious elderhood with as much purpose and passion as possible*”.
